Plan for the practice starts

It is our intention to do 3 practice starts, first warning signal 15:00.

This will be held in Race Area B, South the island Korsö.

To get the most out of the practice starts we propose the following.

- 1) First practice start, be over early, watch your Vakaros light up OCS, return and watch it say CLEAR.
- 2) Second practice start, determine your closure rates
- 3) Third start, do your best to stay clear

Just because we can not see you, the machine always does 😊 Good luck today, see you on the water!
