

## Technical Committee Notice nr. 1

At 17:30 on Saturday, 2 July 2022 Technical Committee completed pre-race measurement checks. Total of 77 boats successfully passed pre-race measurement checks that were including:

- Marking the sails to be used for the event
- Check of the safety equipment
- Crew weighing

Changes of the certificate issued after 17 June 2022 were approved by the Technical Committee in correcting errors found before or during the pre-race equipment inspection and final entry list is updated with the latest rating on 2 July 2022.
